RE: Speaking Invitation
World Affairs Council of Maine
Portland, Maine
October, January, May, or July

The Program Director for the World Affairs Council of Maine, Mrs. Basia Kulawiec has invited you to address the Council's Corporate Breakfast Program in Portland on a convenient date in October 1988, or in January, May, or July 1989. The proposed format is a 7:30 breakfast followed by approximately 30 minutes of remarks on a topic of your choice and 30 minutes of questions and answers. The audience would be 60-70 Maine corporate leaders. Your presentation would be off the record, but a press conference could be arranged after the program, if you were interested.

The World Affairs Council's Corporate Program was established in 1984 to provide Maine business leaders with a nonpartisan forum for discussion of political and diplomatic affairs. Membership in the Corporate Program currently consists of over sixty businesses and educational institutions. Other speakers who have appeared before the Council include Alexander Haig, Caspar Weinberger, and Ambassador Federico Vargas of Costa Rica. The Council also sent an invitation to the DCI. Since he already has several speaking engagements for this spring -- and has spoken to the World Affairs Council in San Francisco and is scheduled to speak to the one in D.C. -- we have recommended that he decline.

Your schedule is heavily booked for October, and January would not be a good month either. I recommend that you accept the invitation to speak to this group on a date in May or July. If you agree, a letter of acceptance is attached for your signature.

Dear Mr. Director:

The World Affairs Council of Maine would like to extend to you our warmest invitation to speak at our corporate breakfast briefing program in Portland at your convenience, in October, January, May, or July.

Our corporate breakfast program gathers together corporate leaders of the area to provide a forum for discussion of important political and diplomatic issues. The presentation, and the question and answer sessions following it, are kept off the record. This, needless to say, makes for a stimulating and informative exchange.

We would like very much to hear your personal experiences connected with major political events and your perspective on the current developments at the time of your speech.

We would be delighted to host you in one of the area's lovely inns and cover all expenses involved. You must be well aware that Maine is beautiful any time of the year and we would hope that you could make it a refreshing interlude in your busy schedule.

Sincerely,

Basia Kulawiec
Program Director
